**"And when the LORD
raised them up judges,
then the LORD was with
the judge, and delivered
them out of the hand
of their enemies all the
days of the judge"** JUDGES 2:18

Hi everyone!

Welcome to our winter edition of Cub Corner Magazine. We've packed a ton of fun stuff in here; I really hope you enjoy it.

In this issue we talk about Samson. Did you know that Samson wasn't a great big man with huge muscles? Nope, he was a little guy. Brother Branham said that if Samson had huge muscles, he wouldn't have needed God. Instead, Samson relied on God for his strength.

Samson gave his strength to God, but he gave his heart to Delilah. Just imagine if he would have given everything, including his heart, to God.

He was a great warrior for God, and you can be too. You might not have to fight Philistines, but the devil is stronger than ever before, and you are a soldier fighting against him. Just give everything you have to God, your heart, your strength, your voice, your actions...everything! God will use you to fight the devil, just like he used Samson to fight the evil Philistines!

Let's fight against the devil together. I will pray every day and you do the same. Together, we will defeat that mean old devil!

God bless you,

Brother Joseph

Dot Game

Here is a fun game:

The object of the game is to complete more squares than your opponent.

Draw out a grid of dots on paper. The first person draws a line (not diagonal) from one dot to another. Then, the next person draws another line. When someone completes a box, they put the first letter of their name inside the box. That is one point.

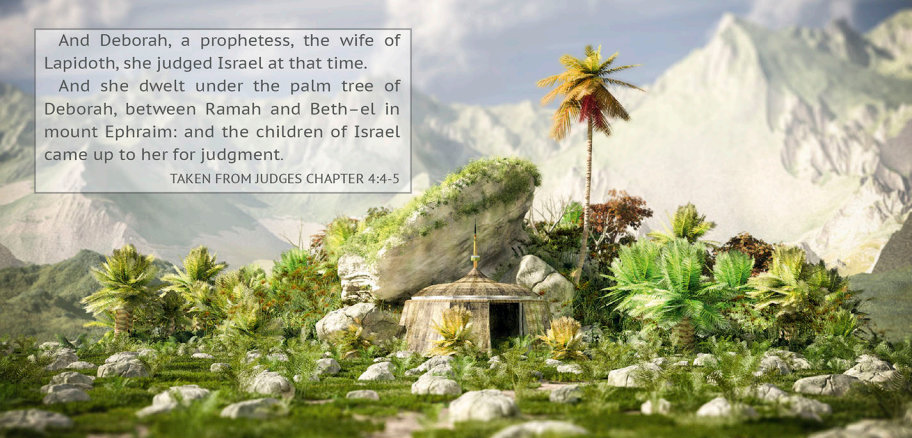

If you complete a box, you get to go again and again, until you draw a line that doesn't complete a box.

And Deborah, a prophetess, the wife of Lapidoth, she judged Israel at that time.

And she dwelt under the palm tree of Deborah, between Ramah and Beth-el in mount Ephraim: and the children of Israel came up to her for judgment.

TAKEN FROM JUDGES CHAPTER 4:4-5

JUDGES

THERE WAS ONCE A TIME IN THE HISTORY OF THE ISRAELITE PEOPLE

when there was no prophet in the land. The Word of God was very rare, so the people just did what they thought was right in their own sight. They didn't have all of God's Word, like we have today, to tell them the true and right way of God. But they did have "judges."

The judges were men and women who God set in order to lead the Israelites.

They were ordained by God to play their roles as leaders of His people.

The judges were like political leaders of today, kind of like a mayor or governor. They judged the acts of the people and made decisions about the future of Israel. Some judges, like Deborah, led the Israelites to war, and another judge, Samson, used the power of God to single-handedly kill thousands of Philistines, Israel's enemy.

It must have been a really hard time for the Israelites. The entire Bible had not yet been written, and probably only a few priests ever got to read the laws of Moses. The people of Israel needed leadership, and the judges were who God sent to them.

Aren't you thankful that in this day we not only have the Bible to read, but also a prophet to tell us the ways of God! We are very blessed, that's for sure. God has given us all the tools we need to know all about Him. It is up to us to use these tools; we should read our Bibles, pray, and listen to Brother Branham as much as we can!

42 Inch HORNS

One time, Brother Branham had a vision about a large animal that he would get the chance to hunt. In the vision, he couldn't tell exactly what sort of animal it was, but it looked like a deer with great, high horns.

He saw in the vision that he would have to cross a shale hill to get to it, and there would be a man there with a green-checked shirt on. The vision told that the antlers would measure 42 inches long.

Some time later, Brother Branham had the chance to hunt with some brothers in British Columbia, Canada. When he got there, he thought it may be the place where the vision would be fulfilled, so he asked the brothers which one of them had a green-checked shirt. None of them

had one, so Brother Branham thought the vision might be for another time. But it wasn't long before Brother Branham learned that this was the trip, and the vision would be fulfilled exactly like God had shown him!

Brother Branham was looking through his binoculars when he saw his caribou standing about two miles from him. He recognized it right away; it was the one the Lord had shown him. Its antlers were not normal caribou antlers. They didn't have panels; it just had straight antlers.

The only thing that was missing was the checkered shirt. But then Brother Branham looked over to his friend, and there it was, he was wearing a green-checked shirt! The vision was being fulfilled right before their eyes.

After Brother Branham shot the caribou, the brother that was with him remembered that the antlers should be 42 inches long. At first he wondered, because they looked longer than 42 inches, but once he got out his measuring tape - there it was, 42 inches exactly!

The Lord had fulfilled the vision perfectly, but there was another part of the vision about a different animal. Do you know what it was? You can find out about it on the tape, "It Becometh Us To Fulfil All Righteousness" 61-1001M.

A place of refuge

We get bunches of awesome testimonies sent to us here at Cub Corner. When we got this testimony we thought, "What a smart little fly that was!"

I just wanted to share this with you all for the glory of our Lord! Hope it blesses you as it did me.

As my mom and I were eating lunch today in our home, there was a fly, flying around us. Well, mom did the normal thing anybody would do, get the fly swatter. As she was watching the fly, waiting for it to land, all of a sudden it landed on the Bible we always have on our dining table. Mom didn't even try hitting the fly when a thought hit me: "He is our refuge, our safety in time of trouble," while I was watching that fly just standing on the Bible. Then mom said, "You're fine there, as long as you keep off our food." I said to myself "Well that's right! As long as we are always in the Word, the devil won't get us!"

That fly was doing the right thing!

A BUTTERFLY'S HEALING

Greetings in the Name of Christ Jesus our Lord! I love reading the animal stories in the Cub Corner and always wanted something to add.

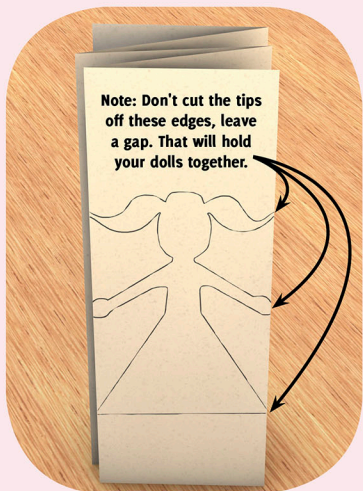

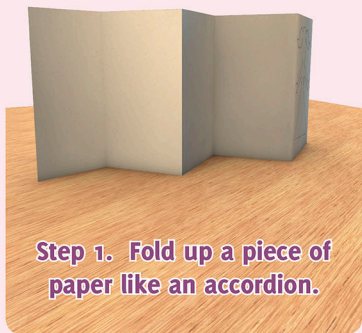

Well, on August 13, I was going to do my morning chore and clean our Golden Retriever's water. As I went to turn on the water from the hose, I noticed a little butterfly caught in a spider's web. I felt sympathy for the beautiful little butterfly, so I looked through the kitchen window and told mom about the trapped insect. My mom came out and we freed the butterfly together. After it was freed, I quickly remembered a little butterfly at the Branham Tabernacle that we saw almost every Sunday. We called that butterfly "Joy." So I called this butterfly, (that I and

my mom freed) Joy. Joy could not fly because of a torn wing and my mom said the only thing she knew to do was put it out of its misery she also said that it probably wouldn't fly ever again. I couldn't do it. I love God and His creations too much to kill them. I asked mom if there was anything else I could do. She answered, "prayer." I looked down at Joy and looked at the torn wing. Mom went inside while I sat beside Joy, I grabbed a leaf and used it as a prayer cloth and I prayed for Joy. Then she started to lift off the ground. She could get off the ground and fly a small bit, but she was making terrific progress. I went to go find at least a flower or two, but because of the dry and hot weather there were none. At that

time my brother, which is nine, and sister, which is eight, came out and were helping me take care of Joy. All the sudden, Joy FLEW! I ran screaming into the kitchen where my mom and older sister were watching. I was so happy! My mom did some research on butterflies and she said that butterflies like sugar water. So mom made some and tried to get Joy to eat. But Joy wasn't hungry. She flew into a bush and stayed there awhile. I believe she stayed there long enough to stay dry through a shower of rain. But thank the Lord! Joy was healed and I finally get to send you all, my family, my (and Joy's) testimony.

God Bless You All Richly!!!!

A STORY TAKEN FROM THE BOOK OF JUDGES

After Moses led the people out of Egypt, and after Joshua led them into the promised land, the Israelites seemed to have troubles surrounding them all the time. They had to fight their enemies constantly, and many of them had even turned away from God.

God sent Israel "judges" to oversee the people, and guide them through this tough time. The judges were godly people who continually asked God the right thing to do.

One great judge of Israel was Deborah...

Deborah and her husband, Lapidoth lived in Mount Ephraim, under the "palm tree of Deborah." The Israelites often came to her and heard her judgment and wisdom. She must have been very wise and godly.

One day, Deborah spoke to a great military man named Barak. She told him that Israel should attack its enemy, Jabin the King of Hazor, and his powerful military leader, Sisera. Barak knew how God had blessed Deborah so he told her that he would not go to war, unless she agreed to go with him.

Deborah agreed, but before they left for war, she made one thing clear. God was going to make the mighty leader, Sisera, die by the hand of a woman, not by Barak.

Barak gathered ten thousand men for the battle, and Sisera gathered all of his men, even nine hundred chariots of iron!

Once the battle started, it was clear that the Lord was with the Israelites. They defeated Sisera's army, but Sisera himself was escaping. He ran as fast as

he could away from the battle, in order to save his own life.

Sisera must have thought he had finally escaped when he came to the tent of a woman named Jael. She told him to come in, and not to be scared - she would hide him.

Sisera quickly went in and hid under a blanket. The evil Sisera was exhausted and thirsty, so he begged Jael for a drink of water. Jael, instead, gave him a nice big drink of milk.

With a big glass of milk in his belly, hiding under a warm blanket, Sisera went right to sleep. That's when Jael quietly snuck in and killed the great and terrible leader, Sisera - the enemy of Israel.

When the mighty warrior, Barak arrived at the tent to finally fight his nemesis, he found that a little woman named Jael had already done it! Deborah's words were true, God did deliver Sisera to the hand of a woman!

Deborah and Barak celebrated the great victory that God had given them. They sang out in thanksgiving to the Lord!

SAMSON

SAMSON WAS BORN A SPECIAL BOY. HIS MOTHER WASN'T ABLE TO HAVE ANY CHILDREN, UNTIL ONE DAY THE ANGEL OF THE LORD APPEARED TO HER AND TOLD HER SHE WOULD HAVE A SON. THE ANGEL ALSO TOLD HER THAT SHE COULD NEVER CUT HIS HAIR, BECAUSE HE WAS TO BE A NAZARITE UNTO GOD, AND THAT HE WOULD BEGIN TO DELIVER ISRAEL OUT OF THE HAND OF THE PHILISTINES.

WHEN SAMSON WAS JUST A BOY, HIS MOTHER TOLD HIM WHAT THE ANGEL SAID:

"SAMSON DARLING, I KNOW YOU'RE JUST AN ORDINARY BOY NOW, BUT YOU'RE A NAZARITE TO THE LORD. THE LORD, BEFORE THE FOUNDATION OF THE WORLD, HAS ORDAINED YOU FOR A PURPOSE."

"WHAT IS IT, MAMA DEAR?"

"YOU'RE TO LET THEM SEVEN LOCKS OF YOUR HAIR GROW, AND YOU WILL BE GIVEN A GREAT STRENGTH THAT WILL LIE IN THESE LOCKS OF HAIR. YOU CAN NEVER SHAVE THEM, OR TELL THIS SECRET."

"WHAT WILL I USE MY STRENGTH FOR, MAMA?"

"YOU'RE TO USE THIS STRENGTH TO DELIVER ISRAEL OUT OF THE HAND OF THE PHILISTINES. BUT IF YOU SHAVE YOUR HAIR, THEN YOUR STRENGTH WILL GO FROM YOU, AND YOU WILL BECOME WEAK, AND BE LIKE ANY OTHER MAN."

SAMSON LISTENED TO HIS MOTHER AS HE GOT OLDER, AND NEVER CUT THE LOCKS OF HIS HAIR, OR LET ANYONE ELSE CUT THEM. THE SPIRIT OF THE LORD CAME UPON HIM AND USED HIS STRENGTH TO DESTROY THOUSANDS OF THE PHILISTINES, UNTIL EVERY PHILISTINE FEARED AND TREMBLED AT THE NAME OF "SAMSON."

THERE WAS ONE TIME THAT SAMSON KILLED 1000 PHILISTINES BY HIMSELF WITH THE JAWBONE OF A MULE! ANOTHER TIME WHEN THEY TRIED TO TRAP HIM, SAMSON JUST PICKED UP THE MASSIVE GATES OF THE CITY AND CARRIED THEM ON HIS SHOULDERS TO THE TOP OF A HILL. THEY TRIED TO DESTROY HIM TIME AND AGAIN, BUT HIS STRENGTH FROM THE LORD WAS GREATER THAN ANYTHING THEY HAD EVER SEEN. THERE WAS NOTHING OR NO MAN THAT COULD MATCH IT, BUT HE ONLY HAD THIS STRENGTH AS LONG AS HE KEPT HIS LOCKS OF HAIR.

ALTHOUGH SAMSON GAVE HIS STRENGTH TO THE LORD, HIS TROUBLE STARTED WHEN HE GAVE HIS HEART TO DELILAH, WHO WAS AN ENEMY OF GOD. ONE DAY THIS EVIL WOMAN TALKED SAMSON INTO TELLING HER WHERE HIS STRENGTH CAME FROM,

SOMETHING HIS MOTHER TOLD HIM TO NEVER TELL! WHEN SAMSON FELL ASLEEP THAT NIGHT, DELILAH SHAVED THE LOCKS OF HIS HAIR, AND ALL HIS STRENGTH LEFT HIM. DELILAH CALLED THE PHILISTINE ARMY TO TAKE SAMSON, AND HE HAD NO MORE STRENGTH TO DEFEND HIMSELF. HE WAS TAKEN TO THEIR PRISON HOUSE WHERE THEY PUT HIS EYES OUT AND PUT HIM IN CHAINS.

SAMSON STAYED IN PRISON UNTIL THE PHILISTINES DECIDED TO HAVE A CELEBRATION FOR THE VICTORY OVER GOD'S SERVANT. ON THIS DAY, THERE MUST HAVE BEEN ABOUT 3000 PHILISTINES LOOKING DOWN FROM THE TOP OF THE GREAT MUSHROOM ARENA. EVERYONE WAS HANGING OVER THE SIDE, LOOKING AT THEIR DEFEATED ENEMY THAT ONCE CAUSED THEM SO MUCH TROUBLE, AND KILLED SO MANY OF THEIR PEOPLE. WHAT THEY DIDN'T NOTICE, IS THAT SAMSON'S LOCKS OF HAIR HAD STARTED GROWING BACK SINCE HE HAD BEEN IN PRISON.

THERE SAMSON STOOD FOR EVERYONE TO SEE; HUMILIATED, BLIND AND DEFEATED, STANDING BETWEEN THE TWO PILLARS THAT HELD UP THE GREAT ARENA. HE ASKED THE LAD THAT WAS LEADING HIM TO PLACE HIS HANDS UPON EACH PILLAR. IT WAS THEN THAT SAMSON CRIED OUT:

"GOD! I KNOW YOU ARE STILL GOD. I AM BLIND. I'VE GOT OFF THE TRACK. I'M NOT WORTHY TO LIVE. LET ME DIE WITH THIS ENEMY. YOU RAISED ME UP TO DESTROY IT, AND I HAVE FAILED YOU, LORD, BUT THERE IS A POSSIBILITY YOU'D HEAR ME. ONCE MORE, LORD, ONCE MORE!"

SAMSON REACHED BEHIND AND FELT THE LOCKS OF HAIR BACK ON HIS HEAD, AND HE REMEMBERED GOD'S PROMISE TO GIVE HIM STRENGTH AS LONG AS THOSE LOCKS WERE THERE. WHILE HE WAS PRAYING AND REPENTING BEFORE GOD, EVERY PART OF HIS BODY BEGAN TO VIBRATE. HIS MIGHTY STRENGTH RETURNED, AND HE BOWED HIS BODY WITH ALL HIS MIGHT AGAINST THE PILLARS. WHEN HE DID, THE ENTIRE ARENA FELL TO THE GROUND AND KILLED EVERY PHILISTINE THAT WAS PRESENT, ALONG WITH SAMSON. GOD ANSWERED HIS LAST PRAYER AND GAVE HIM THE STRENGTH ONCE MORE TO DESTROY HIS ENEMY.

TODAY, GOD HAS GIVEN US THE MIGHTIEST STRENGTH THE WORLD HAS EVER SEEN, AND IT LIES IN THE LOCKS OF OUR FAITH IN HIS WORD. THE WORLD IS TRYING TO TAKE THIS STRENGTH FROM US, JUST AS DELILAH DID FROM SAMSON. DON'T LET ANYONE SHAVE OFF YOUR LOCKS! IF YOU KEEP YOUR FAITH IN GOD'S WORD, THEN YOU'LL KEEP YOUR STRENGTH AND DESTROY THE ENEMY EVERY TIME HE COMES AGAINST YOU.

OH YEAH. I'LL BE RIGHT BACK.

MONKEY RAN TO GET THE TOOLS.

HERE YOU GO.

SORRY MONKEY, BUT THAT'S A LOBSTER.

URRGH, WHY DO YOU NEED TOOLS ANYWAY? JUST USE THIS LOBSTER INSTEAD...WATCH ME DO IT.

I'M ON IT, BUDDY.

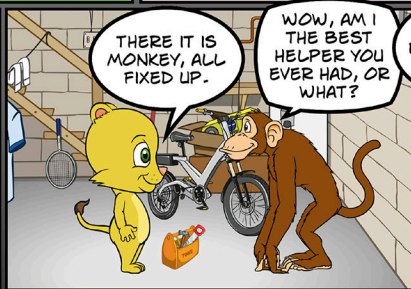

OK, TRY NOT TO GET DISTRACTED WITH OTHER THINGS, OK PAL? REMEMBER THE TOOLBOX.

YEAH, NO PROBLEM - I'LL BE RIGHT BACK!

WITH ALL OF THE TOOLS THAT HE NEEDED RIGHT THERE BY HIM, CUB FINISHED THE JOB IN NO TIME...

JUST LIKE MONKEY, SAMSON IN THE BIBLE ONLY GAVE CERTAIN TOOLS TO GOD. HE DEFINITELY GAVE HIS STRENGTH TO GOD, BUT HE GAVE HIS HEART TO DELILAH.

GOD WANTS ALL OF OUR TOOLS. HE WANTS OUR STRENGTH, OUR LOVE, OUR HEART, OUR BRAINS, OUR HANDS, OUR FEET, OUR EARS, OUR MOUTHS - OUR WHOLE TOOL BOX...EVERYTHING.

IF YOU GIVE GOD ALL THAT YOU HAVE, HE WILL USE YOU IN WAYS THAT YOU HAVE NEVER EVEN IMAGINED!

Let's play a game. We will start a story - but we want you to finish it for us. If you write the completed story and send it to us, you just might see it in the next edition of Cub Corner Magazine!

Hint: Make the ending long enough to finish the story, but not too long. (Maybe 1/4 to 1/2 of a page.) Make sure your ending lines up with God's Word!

LAURA AND PAUL WERE BROTHER AND SISTER. They had a lot to be thankful for, and they knew it, but sometimes God finds a way to remind us that He is in charge and EVERYTHING that we do should be in His perfect will.

One day Laura and Paul ran into their house as fast as they could. "Mommy, Mommy!" They yelled. "You just gotta see them; they're the cutest things in the whole world!" Laura exclaimed. "Yeah Mommy, and they are great hunting dogs when they get big. I'll take care of it, Mommy, I really will!"

Their neighbor's dog had puppies and they wanted to give the pick of the litter to Laura and Paul. The kids'

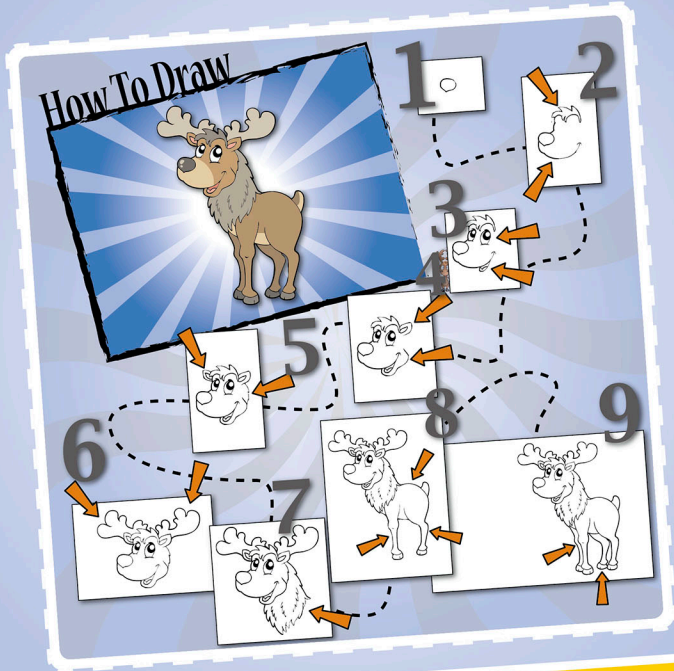

Mommy had to admit that they were pretty cute. "IT'S FREE MOMMY! We don't even have to pay for it!"

Mommy told the kids that they would talk to Daddy about it when he came home. You could feel the anticipation in the air all day long, but when Daddy finally came home he didn't seem nearly as excited about the idea as Laura and Paul were.

As they sat down for supper that night, Daddy didn't exactly say "no" but it sure wasn't a "yes" either. Daddy said, first they should...

interesting Bible FACTS

Daniel 4:37 has every letter in the English alphabet except one. See if you can find which one it is missing:

Now I Nebuchadnezzar praise and extol and honour the King of heaven, all whose works are truth, and his ways judgment: and those that walk in pride he is able to abase.

Now try this one, Ezra 7:21:

And I, even I Artaxerxes the king, do make a decree to all the treasurers which are beyond the river, that whatsoever Ezra the priest, the scribe of the law of the God of heaven, shall require of you, it be done speedily,

The word "Bible" comes from a Greek word that means "Books."

The shortest verse in the Bible is John 11:35. "Jesus wept."

The first words in the Bible are "In the beginning..." The last word is, "Amen."

Third John is the shortest Book in the Bible.

GOD'S CREATIONS

CARIBOU

ONE LOOK AT THE CARIBOU'S BEAUTIFUL WINTER COAT, AND HUGE SNOW PLOWING HOOVES, IT BECOMES CLEAR THAT GOD CREATED THESE ANIMALS FOR THE COLD ARCTIC!

Way up north, in the cold arctic circle, caribou roam the land in massive herds.

They are designed to travel long distances, sometimes up to 3,000 miles per year! That sounds like a really long walk, but their long legs, warm coat, and oversized hooves are up for the task.

On their long journey, adult caribou must watch out for bears, wolves, and coyotes. The baby caribou, or "calves," also have to look out for golden eagles and wolverines.

During the warmer months, one of their

biggest concerns is mosquitos. Those annoying little insects come by the millions in the far north, and they can make a massive herd of thousands of caribou move miles out of their way. Not bad for a tiny little insect.

BOULDER

"A caribou is a native name; it's a reindeer. And so usually they have paneled horns, like *this*; one running right in front of their nose, and then a panel comes out in front; and then the horns hook over, with another panel about so wide." 61-1001M

walkin'

Caribou don't have feet like you and I. They have special hooves that really come in handy. These hooves are really big and have sharp outer edges. They help them from sliding around on the ice and rocks. On the down-side, it pretty much ruins their chances of ever being able to wear cool shoes.

diggin'

If you looked at the underside of a caribou's hooves, you would notice that it is hollowed out like a scoop. This helps the caribou to dig down in the snow to find food.

swimmin'

Caribou travel great distances while migrating. Sometimes large rivers or lakes have to be crossed to continue their journey. The hollowed out hooves act like big paddles and help them to swim really well.

FAST EATERS

Can you believe that an adult caribou normally eats about 12 pounds of food every day?

FAST RUNNERS

Caribou can run up to 50 miles per hour! In fact, caribou racing is a sport in some countries.

FAST LEARNERS

Since caribou are on the move so often, it's important that their babies learn to walk quickly. A caribou calf can stand up within minutes of being born!

Antlers are usually only grown by male deer. But caribou are different. The males and females can both grow antlers!

According to research, some caribou travel more than 3,000 miles in a single year!

Male caribou are called "bulls" and females are called "cows". A baby caribou is called a "calf".

Caribou like to live in the north, where it stays nice and coooold.

SO, WHICH ONES ARE REAL?

This is the Himalayan horse/sheep. Or as the locals call it, the "shorse." It grows to about 2½ feet tall and only eats purple flowers. Real or Fake?

ANSWER: COMPLETELY FAKE.

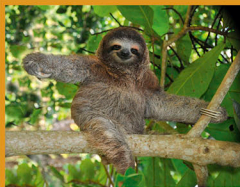

The "Tapir" is found in Central and South America. It looks a little like a pig, but is actually related to horses and rhinoceroses. They are great swimmers, in fact they sometimes even eat underwater vegetation. Real or Fake?

ANSWER: REAL

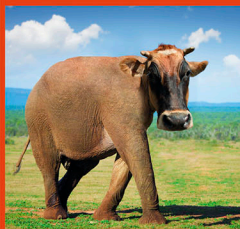

The Floppy Eared Botswana Bunny Lion is also known as the "Friendly Lion." It eats grass and leaves, but its favorite snack is the bark of the rare giant carrot tree. Real or Fake?

ANSWER: FAKE, WE MADE UP THE WHOLE THING.

The "sloth" is a very tired animal that lives in trees. It sleeps up to 20 hours per day, and when it is finally awake, it's so slow that algae actually grows on its fur. Real or Fake?

ANSWER: REAL

The very rare "Buffalant" used to roam wild in the western United States, but after being hunted almost to extinction for its valuable toenails, it is now only found in zoos and playgrounds. Real or Fake?

ANSWER: FAKE...VERY FAKE.

The "Okapi," or *Okapia johnstoni*, from the Congo, in Africa, looks like a cross between a zebra and a giraffe. It uses its super long black tongue like a hand to reach out and grab leaves high in the rainforest. Real or Fake?

ANSWER: REAL

This black "Cameldog" is a surprisingly ancient breed. It dates back at least 500 years and has been bred for years to enlarge the two distinct humps on its back. It is known for its calm temperament and huge appetite. Real or Fake?

ANSWER: FAKE, BUT IT WOULD BE NEAT IF IT WAS REAL!
